

Catch-up with the kiddies!

Application to Llanedi Community Action Fund

What is 'Catch-up with the Kiddies!'

- We'd like to start a group for parents with pre-Meithrin children.
- The idea is to start with a regular subsidized coffee morning in the Reading Room/Community Cafe so that the group can grow and establish itself, with the ultimate aim of it becoming a self-sustaining group that undertakes a range of social activities that include adults and children (walks, trips out to family-friendly attractions including the local nature trail, craft sessions etc).

Our meetings would be held in the Reading Room in Hendy

Why do we need it?

- Hendy has always been a welcoming and friendly village with a strong sense of community. But parents with young children can feel isolated.
- As a dormitory village with lots of new housing, we have lots of new young families without their traditional support bubble and this project will help to integrate them into our community.

Please support this project!
