ACTION FUND**

MARCH 2021

- Our online crochet and craft group started in January 2021.
- It is open to anyone.
- It engages people of all ages, many of whom are living alone or are single parents
- We have had Community Council support to run the first 8 session.
- Our only direct cost is the tutor's fees.
- We would like to apply for funding to extend the sessions for a further 8 weeks
