

BAGS OF JOY

Bid by Tycores Covid Volunteers

Bags of Joy

As Covid volunteers, we helped a number of vulnerable and shielding members of our community during the lockdowns. Now, with the immunisation programme we can see light at the end of the tunnel.

We want to help prepare people for going back out into the world and spread a little joy. Therefore, we would like to create and distribute little goodie bags to those who have previously needed our help.

The bags will contain things like:

- A little note with an encouraging message and a picture/card perhaps designed by the school,
- a hand sanitiser and a mask,
- a tasty treat (pack of welsh cakes /welsh waffles or similar), perhaps a mask, and a blank card so they can pass on a smile/friendly message Information, e.g. from Versus.
- We are hoping we can work with other partners across the ward too.
