

Hendy Park Fairy Village Telwyth Teg Parc Yr Hendy

Bid to Llanedi community Action Fund
March 2021

We are a small group of volunteers who would like to create a walk-through fairy village in an area of Hendy Park, for local children and the community as a whole.

Adult volunteers will create the infrastructure of the village, - paths etc, but we will engage children in helping decorate the village. We hope to do this with help from bodies like the local school and also through family activities.

The fairy village will be set in the bank at the top (Llannon) end of the park, creating a feature in a currently unused area.

We will use the grant to pay for materials and have already costed up timber etc from a local firm.
